## *From the Desk of the National President*

Auxiliary Members,

Another round as the National President -- just maybe I will get it right this time. National Vice President, Karen Snee, withdrew her resolution for National President for health reasons. We all wish Karen a full and speedy recovery. Let the power of prayers go out to Karen and all who are ill throughout the Auxiliary.

The remnants of hurricane Matthew did not stop the National Convention from proceeding. Many members were not able to attend as those coming from areas effected by Matthew were not able to drive into areas that were under water. The Association is very fortunate that no loss of life has been reported. The convention committee was in full swing for all the attendees and those attending had a great time.

We were delighted with so many Auxiliary members who were able to attend. The first order of business was to seat pro tem National Vice President, D. Loretta Roberts. I was extremely pleased that the National Board of Directors had their reports in hand and were read to the forum. I feel that everyone at convention had successfully completed their year in office to the best of their ability.

Elections were held and Lauren Wynn is the National Executive Secretary. Jean Smith is the National Vice President. I did advise NVP Jean that she is not allowed to get sick or break a bone so that she will be able to move up to National President next year. I appointed PNP Cindy Rodham-Tuck as the National Parliamentarian and Gale M Nathan as the National Chaplain.

Auxiliary members it is a very difficult position to be put in when we have to go against our procedural chairs as we do not know when we will have to answer the call to take the reins once again. I will do my utmost to preserve the association this year and we will move forward with continuing efforts to recruit and retain what we have for membership.

There is still so much work to do to keep the organization thriving and we must now do what is necessary to help ourselves. I have decided that the LA FRA should keep our programs such as the Scholarships, Welfare Fund, etc., and we need to be able to concentrate on funds for the future. Without knowing the outcome at convention, I chose the National President's Project to be "Survival of the LA FRA." We all know that some of these programs would have been depleted many years ago if we didn't seek donations. This will be a project that will allow us to do what is needed to keep these programs alive. We do so much for the community that it is time that we look at the decline of membership revenue and ensure the success of these programs for our future. All donations will go to the National President's Project and at the end of the year will be divided into the various programs. (cont'd on next page)

*(From the Desk of the National President - continued)*

Congratulations to the East Coast Region for instituting and initiating Unit 99. Welcome into the Auxiliary. We extend best wishes for a positive and effective year. Accolades to Jr.PRP EC Kathy Bearden, RPEC Shirley Vatter, and NFS Christina Murray for all the support and encouragement making sure Unit 99 accomplished their goals of becoming a viable Unit in the Auxiliary.

I would like to wish Auxiliary members the very best during this holiday season. Have a Happy Thanksgiving and Merry Christmas! May you truly be blessed during this time.

Our condolences to our members in the loss of their loved ones. May you find peace. If you or a family member have been ill or lost a loved one, please accept our best wishes and condolences. Celebrating a Birthday – Happy Birthday! Wedding Anniversary – Congratulations! To All “Best Wishes” for continued good health.

I remain in,

Loyalty, Protection, and Service,

Helen A Courneya

## Greetings From the National Vice President

### 'P' IS FOR PERFECT PRODUCE, PUNCTUATE, AND PREVENT

Our goal as the Auxiliary of the Fleet Reserve Association is to aid and assist the Fleet Reserve Association, its members and their families. In order to do this we must increase our membership. The Shipmates have approximately 50,000 members and the auxiliary has less than 15% of that number in membership. Yes, we can give aid but it would be like most of our Units where two or three members do all the work. In order to provide more aid, we must recruit more members. We have nothing to offer our new members these days so we must make our meetings more interesting to new members. Some of you are already on this band wagon by having a meal at each meeting or meeting at a restaurant where you can have a meal without the work. Some of our Units have 50/50 drawings but there again you need more members to enlarge the pot. Some of the members of **our** Unit joined just for the community service that we do. You need to find out what works for your Unit to **produce** more membership.

Once you have recruited these members you need to make sure they are not forgotten. **Punctuate** their existence in you Unit. Put them in charge of a job that makes them feel wanted and needed. Everyone must have a feeling that they are needed. By punctuating the existence of this new member, you have made a friend. When Friendships are built the Unit becomes stronger and strength leads to production.

We must keep our members active and to do that we must check each month on the ones who are not in attendance. **Prevent** them from dropping out by making sure they know you care. Always call the absent members to prevent their loss of interest. Showing that we care is one of the ways we can aid the Shipmates because each of our members are affiliated with a Shipmate in one way or another, whether that Shipmate is a member of the Fleet Reserve Association or not.

I hope I have turned a bulb on inside your head and you will be overflowing with ideas that will **produce** new members, **punctuate** the membership that you have and **prevent** the loss of members in the future so that your Unit will be **perfect**. I have given you a few things to think about so get out there and make our organization perfect.

Respectfully Submitted,  
Jean Smith, NVP & Membership Chair

## **Auxiliary Survival Donations**

This year's National Project will benefit the Ladies Auxiliary Fleet Reserve Association to fund our scholarship programs and Welfare Fund as well as to stabilize our Auxiliary.

Over the past few years our programs have been depleted due to lack of donations. While we have been able to assist members in need during this time, the future of these programs is dependent upon additional donations so that the future membership will have the funds to continue to assist when needed and to provide the necessary funds for our scholarships.

Our Scholarship program provides awards each year and it is most rewarding when, as the National President, I can contact these students who have achieved their status in receiving an award from the Auxiliary.

We need to help ourselves now. The dwindling membership each year is apparent, so we need to ensure that the Auxiliary will move forward and not lose these valuable programs in the future. Each year as we meet to discuss the financial aspect of our Auxiliary it becomes obvious that we have the need to expand our prospects for the future of the Auxiliary in order to become solvent.

Let's expand our programs into the future with donations to benefit members, families, and other participants of the Scholarship programs.

## *Donations*

The kindness of our members and their families continue to fund the programs and work of our Auxiliary. Our sincere thanks to the following individuals and groups for their generosity:
