5	NATIONAL CONVENTION	5	because it doesn't have all the information that I need

7		7	You know, they're made up by other people. So it was
8	4TH BUSINESS SESSION	8	determined that there are only the brochure that's on

11		11	those white ones or whatever, I'm sending them back.
12	Omni Hotel	12	I'm going to say this first, only because to me
13	9821 Colonnade Boulevard	13	it's very important, the PCT, as we all know is,
14	San Antonio, Texas 78230	14	50 percent goes to General Treasury and the other
15		15	50 percent goes to the Unit. Anybody that's paying
16	National President	16	advance pay, the Unit gets the 50 percent up front. So
17	JEAN D. SMITH, Presiding	17	if, hypothetically, somebody pays \$100, Unit is getting
18		18	\$50, the National Treasury is getting \$50. And for the
19		19	next five years for that particular member, you're not
20	Reported by:	20	going to get any PCT. So if you have 25 members in your
21	Janalyn Elkins, CSR	21	Unit and 10 of them pay up front, then they're not going
22		22	to get the PCT and you have to make sure you make
23		23	allowances in your budget. Because if you think you
24		24	have 25 members and you're going to get \$10 during the
25		25	course of that year and you're basing your budget on it,
