From the Desk of the National President

What a year for the LA FRA and FRA, normally during this period, leaders will be traveling the country attending Regional Conventions, preparing reports for National Convention, Units would have completed their installations, filled out unit reports, performing audits to close their books, and working on their annual 990N. But our world changed, due to the COVID19 Pandemic government mandates and social unrest; national and world major events canceled; places of worship and nonessential businesses were closed; hospitals are overwhelmed; and the general public living in uncertainty of how long this will continue, this is not the world we knew. Many of our members are essential workers, and they continue to work to be of service to this country. My heart goes out to them, especially to those that are serving in the medical field, thank you for your courage and bravery. We all faced an emotional roller coaster in protecting our household and families and many LA FRA and FRA members continue to perform their duties to maintain our organization. We all uphold the principles of Loyalty, Protection and Service during this unexpected way of life.

In the best interest for our member's well-being, we had to learn alternatives to the way we normally conduct meetings and submit reports for the Regional and National offices. Due to the postponement of our National Convention and most of the Regional Conventions having been canceled, for the 2020-2021 administrative year, voting for incoming office candidates is to be conducted by mail, the last time LA FRA had to vote for National officers by mail was in 1945. I attended the North Central Regional, even though travel was not recommended. Our National Pre Board and Post board will be done via conference call and the National Installation of Officers will also be done via conference call at the end of September. What is heartbreaking to me, is that all the incoming officers will be missing out on the ceremonies and celebrations in a physical form for their election with other members of the Auxiliary both in the Regional and National level.

As this is my last article, I would like to recognize our National Executive Board and Appointees, they all did outstanding jobs, being that they each have had experienced abnormal administrative challenges. Each of them took the initiative and had the motivation to overcome walls to complete their duties to the best of their abilities, such as our National Parliamentarian PNP Gail Doloway working from her hospital bed for five weeks. I am grateful for the Past National Presidents that are part of this board and committees, and they assisted this administration to stay within the guidelines; a special thanks you for JrPNP Christina Murray for coordinating conference calls so that the NBOD can have productive meetings; I am grateful for our Regional Presidents having creative minds in supporting units to get through this year of unexpected challenges, and I am grateful for each unit and members being supportive in the alternative ways we had to conduct business.

We have an amazing organization that is filled with people who are passionate in upholding the purpose of LA FRA, in serving their community and most of all supporting the efforts of the Fleet Reserve Association. In regards to the FRA, we had a great relationship this year, on behalf of the LA FRA thank you for placing our LA FRA Application in the *FRA Today* and thank you for all the suggestions, recommendations and services you have provided so that we can work together.

This year would like to be forgotten, yet it was a year showing that focus and love overcomes challenges and each of us have value life more than ever before. Thank you all for supporting the National President's Project "Operation Home Front." I am wishing the greatest success for the incoming officers of the 2020-2021 administrative year. God bless all of you; I am

sending special prayers for a healthy life for each of you and your family; peace for humanity; and the longevity of the Ladies Auxiliary of the Fleet Reserve Association.

In Loyalty, Protection and Service

From the National Financial Secretary

Surprise! The Membership Report, once again are, being Computer generated and will be delivered to the Units following the normal schedule. The reports received in July should have updated the Unit's roster. It is with crossed fingers that I plan on e-mailing the August reports to the Units.

With that being said, all reports and information will be forwarded only to the Unit Secretaries. The Secretary is responsible for the distribution, according to the individual Unit's procedures, of the reports.
