From the Desk of the National President

Welcome to August! Summer is winding down; there is some doubt that the heat will let up at what could be considered the 'proper' time of season. Many of us probably would be happy if the heat would slack off soon. Most school systems have already started letting grandparents ease out of their 'summer duty of children watching' with the start of classes, and families can slowly enter the resting period before the holiday seasons starting with Halloween in October.

Thank you to Pilgrimage Chairman Debra Washington PRPEC for hosting the Pilgrimage this year (Photographs on another page of the *Triangle*) and having such a great lunch at FRA headquarters afterwards. RPSW Marilyn Quesnel, was the member who traveled the furthest, San Diego CA area to Arlington. This was not the first year the Pilgrimage was not held in April, with the Arlington National Cemetery changes to their reservation procedures it was harder to get an April date. With the FRA's consideration changing how they host a midyear meeting next year, the date of the annual Pilgrimage may be more flexible than in the past.

Attending the Ceremony at the 'Tomb of the Unknown', and seeing a couple of veterans, I could not be sure if they were looking at the 'Tomb' or to wherever their memories of past buddies may have transported them. We should remember that 'Freedom is a special privilege that is not guaranteed. It is not free but has been gifted to the many by the few who supported the fight to not lose it. We had some of the visitors that observed the ceremony at the Tomb of the Unknown follow us to the Mast of the Maine and observe our ceremony there.

As far as seasons go, it is the 'delegate sheet' season. If the Unit has not elected the delegates and proxies, which will represent the unit at regional and national conventions and advised them how the unit wants them to vote on the matters that will be brought up at the conventions, the meeting in August is a good time.

Continued on Page 2

The schedule for conventions this year is: July - the Northeast/New England; August is a busy month with Southwest, South Central, North Central, and West Coast regions; September will be for the Northwest, East Coast and Southeast regions; a month long rest until November for the National Convention and a celebration of the FRA's 100th Birthday. Please support your region and attend your regional convention. If a Unit has designated a member from the Membership-at-Large roster as their delegate or proxy be sure to provide them with a copy of the delegate sheet.

I suggest everyone check the website, la-fra.org and click on the 'Regional News' link to go to your region's news page, then click on your region. Most of the regions have their 2024 Regional Convention information posted. If your regional information is not listed, call your unit officers they should have the information, if not the Unit President or Unit Secretary should call the Regional President for the information. It is my plan to attend the conventions, what a great way to meet the members. I hope to see many members at both the regional and national conventions.

Thank you to all that have donated to the National President's Project the Gary Sinise Foundation. One hundred per cent of a donation will be applied to the sub-program called **H.O.P.E.** - *Heal, Overcome, Persevere & Excel*.

There are many times am reminded that '*Nothing changes IF Nothing Changes*' Whatever may be happening in my corner of life, I hope that your corner finds you doing well and enjoying what life has to offer you. Prayers to those members who are ill or have lost a loved one. To those members celebrating a special occasion, I wish you enough celebrating for the occasion to become a happy memory. Have a great day. Until next month.

I remain yours in Loyalty, Protection and Service,
Veralyn Thomas, LA FRA National President

Help Needed

During my visit to FRA Headquarters and reviewing the LA FRA Archives I am asking for the members assistance with filling in some empty years of LA FRA National Convention minutes. I was not able to go through all the material in storage, but as a start, we are lacking the following years, if you have a copy and are willing to donate it or them to the Archives it would be appreciated. Please check with NP Veralyn for contact information before sending your copy of the National Convention minutes just in case we have multiple offers:

All years prior to and including 1950, as well as 1951 - 1955; 1965; 1978 – 1979; 1984; 2002 – 2004; 2006-2007; 2009. After the FRA Headquarters move there may be more years placed on the ‘wanted’ list.

Reminder - pursuant to C&BL Section 815(c) Donations, each Unit is privileged to send five dollars each year, prior to the 25th of April, to the National Financial Secretary, as a contribution to the Pilgrimage fund. The monies donated help to defray the cost of the Annual Pilgrimage. If your Unit has not done this yet, please submit your donation to the NFS as soon as possible. Thank you.

National President's Project

My National President's Project for 2023 – 2024 is the Gary Sinise Foundation Program –H.O.P.E. - Their mission is to serve the nation by honoring its defenders, veterans, first responders, their families & those in need.

At the Gary Sinise Foundation, they serve our nation's defenders, to include our most severely wounded heroes, veterans of every conflict, first responders who run into danger within our communities, active-duty service members, their families, and the families of our fallen heroes. They do this by supporting them in their darkest times of need. Their unique programs are designed to help, entertain, educate, inspire, strengthen, and build communities across the nation.

Charity Navigator has awarded the Gary Sinise Foundation four out of a possible four stars, indicating that the Gary Sinise Foundation adheres to good governance and other best practices that minimize the chance of unethical activities and consistently executes its mission in a fiscally responsible way.

Their Relief & Resiliency Program includes a sub-program called H.O.P.E. this represents: Heal, Overcome, Persevere & Excel. This initiative provides support to those who have experienced trauma, illness, injury, or loss during their times of tragedy, sometimes with assistance as simple as help paying bills or buying groceries.

Our defenders and first responders are aware of the risks in their professions, but nothing can prepare them or their families for the pain of separation, trauma, and loss. When our heroes or their loved ones experience dark times, they seek to provide support and hope. Lending a hand can change the course of a life. Community - Bringing people together who have shared a common life trauma helps form a network of support. Sharing their experiences and reminding one another they are not alone; these groups can find joy in the present once again.

There are two ways to make a donation:

- (2) enter the following website link: <https://donate.garysinisefoundation.org/campaign/la-fra/c516768> to download and mail your donation with your enclosed check or by providing your credit card information; or

"While we can never do enough for our defenders and their loved ones, we can always do a little more." – the Gary Sinise Foundation

National Vice President's Project

"Engage" is National Vice President Kelly Peña's project for 2023-2024. Engage current members, supporters and prospective members by organizing events within your communities. This would be a reason for a current member to keep their membership active, supporters to keep supporting the organization and identify potential members or future donor/supporters by building relationships through connection in your community.
